International Conclave & Expo on
Life Sciences

"I2I - Idea to innovation to industry"

The Leela, Kovalam, A Raviz Hotel, Trivandrum, Kerala

Be A Part of Bio Connect 3.0

BioConnect 3.0, the International Conclave & Expo on Life Sciences, is organized by the Kerala Life Sciences Industries Park (KLIP) in association with the Kerala State Industrial Development Corporation (KSIDC). The conclave is set to bring together scientists, researchers, entrepreneurs, startups, industry leaders, investors, policymakers, and international stakeholders, offering a unique platform for **B2B** and **B2G** networking, industry-academia collaboration, and investment opportunities, making it one of the most significant gatherings for advancing the life sciences sector in India and beyond.
